# Brady D. Nelson

Department of Psychology Stony Brook University Psychology B-420 Stony Brook, NY 11794-2500 631-632-7697 (office) brady.nelson@stonybrook.edu www.lab-can.com

**POSITIONS** 

2022-Present Associate Professor

Department of Psychology, Clinical

Stony Brook University

2018-2022 Assistant Professor

Department of Psychology, Clinical

Stony Brook University

2015-2018 Research Scientist

Department of Psychology, Clinical

Stony Brook University

2013-2015 Post-Doctoral Research Fellow

Department of Psychology, Clinical

Stony Brook University

**EDUCATION** 

2012-2013 University of Illinois at Chicago

Department of Psychiatry

Pre-Doctoral Internship in Clinical Psychology

2006-2013 University of Illinois at Chicago

Department of Psychology, Clinical

Ph.D., Psychology M.A., Psychology

2001-2005 University of Wisconsin-Madison

B.A., Psychology

**GRANTS - ACTIVE** 

2024-2028 Development Pathways Model of Depression Heterogeneity

National Institute of Mental Health R01MH133652

Co-I; Total costs: \$3,175,162

2022-2024 Effects of Peer Victimization on Physiological Markers of Threat

Sensitivity in Adolescents

National Institute of Mental Health R21HD105882

Consultant; Total costs: \$231,000

2022-2027 Postpartum Intervention use for Mothers with Opioid Use Disorders –

**Brain-Behavior Mechanisms** 

National Institute on Drug Abuse R61DA053688

Co-I; Total costs: \$3,169,786

2021-2025 Development of Negative Valence Measures

National Institute of Mental Health R01MH122537

Co-I; Total costs: \$3,005,780

**GRANTS - COMPLETED** 

2019-2023 Attachment and Biobehavioral Catch-up and Child Protective

Services-Involved Parents: Testing Effectiveness in the Community

National Institute of Mental Health R01MH119310

Co-I; Total costs: \$3,069,458

2018-2022 Trajectories of Reward Sensitivity and Depression across Adolescence

National Institute of Mental Health R01MH097767

PI; Total costs: \$3,961,499

2020-2021 RAPID: Effect of the Coronavirus (COVID-19) Pandemic on the

Psychosocial, Emotional, Academic and Career Functioning of

**Academic Communities** 

National Science Foundation Award #2032386

Co-I; Total costs: \$198,238

2020-2021 Effect of the Coronavirus (COVID-19) Pandemic on the Academic,

Career, Mental, Psychosocial, and Physical Functioning of the SBU

**Community** 

Stony Brook University Office of the Vice President of Research

PI; Total costs: \$25,000

2020-2021 Development of Negative Valence Measures

National Institute of Mental Health R56MH122537

Co-I; Total costs: \$796,452

2015-2018 Anxiety Risk and Adolescence: Sensitivity to Unpredictable Threat

and Uncertainty

National Institute of Mental Health K01MH107808

PI; Total costs: \$531,385

2015-2017 A Prospective Examination of Neural Emotional Reactivity and Risk

for Depression

Klingenstein Third Generation Fellowship Award in Depression

PI; Total costs: \$60,000

2011-2012 Do Neurobehavioral Biomarkers for Depression Predict Family

**History of Psychopathology?** 

University of Illinois at Chicago Chancellor's Graduate Research

Fellowship

PI; Total costs: \$8,000

**GRANTS - SUBMITTED** 

2025-2030 Progressive Silent Perspective-Taking-Transdisciplinary Mechanisms

for Mothers with OUD

National Institute of Drug Abuse Co-I; Total costs: \$3,706,606

2025-2030 Single Session Intervention to Reduce Depression in Adolescents with

**Autism Spectrum Disorder via Perceived Control** 

National Institute of Mental Health Co-I; Total costs: \$5,739,837

**GRANTS - SUBMITTED BUT NOT FUNDED** 

Neural Response to Reward as a Unifying Mechanism across Autism

and Depression in Youth

National Institute of Mental Health R01MH129455

PI; Total costs: \$3,949,757

2024 Multimodal Imaging of Neural Development, the Simons

**Collaboration**Simons Foundation

Co-I; Total costs: \$120,000,000

2022 Neural Response to Social and Restricted Interest Reward in Autism

**Spectrum Disorder** 

Simons Foundation Autism Research Initiative

PI; Total costs: \$489,540

**Team-CESA (Cognitive, Emotional, Social Attitudes) Machine** 

**Learning Platform to Support Learning in Diverse and High** 

**Enrollment Courses** 

Stony Brook University Provost's Office and Office of the Vice President

of Research

Co-I; Total costs: \$98,757

2021 Neural Response to Social Reward in Autism Spectrum Disorder

**Families** 

Simons Foundation Autism Research Initiative

PI; Total costs: \$749,537

2021 Autism Spectrum Disorder and the Neural Response to Social Reward

Eagles Autism Foundation PI: Total costs: \$399,149

2020 Autism Spectrum Disorder and the Electrocortical Response to Social

Reward

Simons Foundation Autism Research Initiative

PI; Total costs: \$298,390

2020 Autism Spectrum Disorder and the Neural Response to Social Reward

Brain Research Foundation Seed Grant Program

PI; Total costs: \$80,000

2020 Polygenic Risk to Depression Trajectories and Neural Vulnerabilities

National Institute of Mental Health

Co-I; Total costs: \$435,327

2016 Familial Transmission of Sensitivity to Unpredictable Threat and

Risk for Anxiety in Adolescence

Brain & Behavior Research Foundation: Young Investigator Grant

PI; Total costs: \$70,000

2013 A Prospective Examination of Neural Emotional Reactivity and Risk

for Depression

National Institute of Mental Health F32MH101933

PI; Total costs: \$148,518

MENTORED STUDENT AND TRAINEE AWARDS AND GRANTS

**2024** Award for Excellence in Research

Department of Psychology Stony Brook University

Sarah Barkley

2024 Research Travel Award

Society for Psychophysiological Research Aline Szenczy; Total costs: \$1,200

2024 Research Travel Award

Society for Psychophysiological Research

Elise Adams; Total costs: \$1,200

2024 Research Travel Award

Society for Psychophysiological Research

Sarah Barkley; Total costs: \$1,200

2024 **URECA Summer Research Program** Stony Brook University Sarah Khan; Total costs: \$5,000 2024 **Graduate Research Fellowship – Honorable Mention** National Science Foundation Jadyn Trayvick 2024 Distinguished Student Research Award in Clinical Psychology Society of Clinical Psychology, APA Division 12 Clare Beatty; Total costs: \$300 2024 John Neale Endowed Fellowship Stony Brook University Elise Adams; Total costs: \$1,500 2024 **Biopsychology Founders Endowed Fellowship** Stony Brook University Rachel Ferry; Total costs: \$1,500 2024 **SUNY GREAT Award** Stony Brook University Sarah Barkley; Total costs: \$5,000 2023 **Trainee Professional Development Award** Society for Neuroscience Rachel Ferry; Total costs: \$1,275 2023 **Research Training Fellowship** Society for Psychophysiological Research Rachel Ferry; Total costs: \$1,884 2023 Early Stage Graduate Research Award - Honorable Mention Society of Clinical Child and Adolescent Psychology/Division 53 Clare Beatty 2023 **URECA Summer Research Program** Stony Brook University Laura Streminsky; Total costs: \$5,000 2023 **Graduate Research Fellowship – Honorable Mention** National Science Foundation Sarah Barkley 2023 **SUNY GREAT Award** Stony Brook University

Clare Beatty; Total costs: \$5,000

2022-2024 Long Island Network for Clinical Translational Science Pilot Award

Stony Brook Medicine

Amanda Levinson; Total costs: \$50,000

2022 Student Poster Award

Society for Psychophysiological Research

Rachel Ferry

**2022** Award for Excellence in Research

Department of Psychology Stony Brook University

Clare Beatty

2022 URECA Summer Research Program

Stony Brook University

Ankita Gupte; Total costs: \$5,000

2022-2027 Graduate Council Fellowship

Stony Brook University

Sarah Barkley; Total costs: \$177,500

2022-2025 Graduate Research Fellowship Program

National Science Foundation

Clare Beatty; Total costs: \$138,000

2022 Biopsychology Founders Endowed Fellowship

Stony Brook University

Rachel Ferry; Total costs: \$1,500

2021-2024 Graduate Research Fellowship Program

National Science Foundation

Aline Szenczy; Total costs: \$138,000

AWARDS AND DISTINCTIONS

2017 Selected for the Faces of the Future Symposium

30<sup>th</sup> Annual Meeting of the Society for Research in Psychopathology,

Denver, CO

2015-2018 Extramural Loan Repayment Program for Clinical Research

National Institutes of Health

2015 Rising Star Award

Association for Psychological Science

2015 Travel Award for the Anxiety and Depression Association of America

Conference

35<sup>th</sup> Annual Meeting of the Anxiety and Depression Association of

America, Miami, FL

2013 Event-Related Potential Boot Camp Scholarship

Center for Mind & Body University of California-Davis

Sponsored by the National Institutes of Health

2011 Smadar Levin Award for Most Outstanding Graduate Student Poster

25<sup>th</sup> Annual Meeting of the Society for Research in Psychopathology,

Boston, MA

2011 Excellence in Clinical Psychology Award

Department of Psychology University of Illinois at Chicago

2009 Preliminary Examination Passed with Commendation

Department of Psychology University of Illinois at Chicago

#### PEER-REVIEWED PUBLICATIONS

**Total publications** = 115, **Total citations** = 5432, h-index = 41, i10 index = 81 \* indicates equal authorship

- Calentino, A. E., Hager, N., Adams, E. M., Szenczy, A. K., Dickey, L., Kujawa, A., Hajcak, G., Nelson, B. D.\*, & Klein, D. N.\* (in press). Trajectories of the late positive potential across childhood and adolescence: A 9-year longitudinal study. *Child Development*.

#### INVITED ADDRESSES AND PANEL MEMBER

Nelson, B. D. (October, 2024). *Reward-related brain activity and psychopathology in adolescents and young adults*. Presented at the Department of Psychiatry & Behavioral Health at The Ohio State University Wexner Medical Center Grand Rounds.

- Nelson, B. D. (March, 2024). *Reward-related brain activity and risk for psychopathology across adolescence*. Presented at the California State University, Northridge U-RISE and Bridges to Doctorate Program Speaker Series.
- Nelson, B. D. (February, 2023). *Laboratory for Affective Clinical Neuroscience*. Presented at the Stony Brook University Psychology Student Alliance research panel.
- Nelson, B. D. (November, 2022). *Integrating HiTOP into clinical practice 2022: Case conceptualization*. Presented at the 2022 Integrating HiTOP into Clinical Practice workshop.
- Nelson, B. D. (March, 2022). Adolescent reward-related brain activity and the development of internalizing psychopathology. Presented at the Stony Brook University Department of Psychiatry Grand Rounds.
- Nelson, B. D. (March, 2022). Panel member for the Psych Cafe Speaker Series at Stony Brook University.
- Nelson, B. D. (December, 2020). Panel member for Post-Baccalaureate Association Speaker Series at Massachusetts General Hospital
- Nelson, B. D. (April, 2019). *Psychological science: Past, present, and future*. Presented at the 2019 Stony Brook University Psi Chi Induction Ceremony.
- Nelson, B. D. (October, 2019). Panel member for Stony Brook University Department of Psychology discussion on the academic job market.

#### ORAL PRESENTATIONS

- Nelson, B. D., Szenczy, A. K., Gair, K., Ferry, R. A., Eaton, N. R., Klein, D. N., & Hajcak, G. (October, 2024). *Trajectories of the neural response to rewards and the development of depression in adolescent girls*. Oral paper presented at the 37th annual meeting of the Society for Research in Psychopathology, Montreal, Canada.
- Nelson, B. D., Feldman, J., Levy, A., & Grieshaber, A. (March, 2024). *Hierarchical Taxonomy of Psychopathology dimensions and the neural response to reward*. Oral paper presented at the 2024 Hierarchical Taxonomy of Psychopathology Conference, San Diego, C.A.
- Lane, A., Tang, W., & Nelson, B. D. (May, 2023). *Towards ARSPINet: Development of an efficient hybrid deep learning framework*. Oral paper presented at the 17<sup>th</sup> annual Long Island Systems, Applications, and Technology Conferences, Old Westbury, NY.
- Nelson, B. D., & Beatty, C. C. (May, 2023). *Hierarchical dimensions of psychopathology and the neural response to social feedback*. Oral paper presented at the 2023 Association for Psychological Science Annual Convention, Washington, D.C.

- Cole, S., Mahra, L., Cibrian, E., Cummings, E., Nelson, B. D., Hajcak, G., & Meyer, A. (March, 2023). *Relational victimization predicts adolescents' social anxiety through increases in the error-related negativity across two years*. Oral paper presented at the 2023 biennial meeting of the Society for Research in Child Development, Salt Lake City, UT.
- Nelson, B. D., Beatty, C. C., Ferry, R. A., & Klein, D. N. (November, 2022). *Event-related potential indicators of attentional biases of unpredictable threat and their relationship with psychopathology and risk in adolescents*. Oral paper presented at the 56<sup>th</sup> annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- Nelson, B. D. (April, 2021). *Reward-related brain activity and the development of depression*. Presented at the Stony Brook University Center for Affective Neuroscience of Depression and Anxiety Mini-Symposium.
- Nelson, B. D. (March, 2021). The COVID-19 pandemic and mental health: Risk factors and changes in internalizing symptoms across the lifespan. Chair of symposium presented at the Anxiety and Depression Association of American 2021 Virtual Conference.
- Nelson, B. D. (February, 2021). Effect of the coronavirus (COVID-19) pandemic on the academic, career, mental, psychosocial, and physical functioning of the SBU community. Presented at the Stony Brook University COVID-19 Research Collaboration Series.
- Nelson, B. D. (October, 2020). *How to craft a personal statement*. Presented at the Stony Brook University Department of Psychology Graduate School Application Café.
- Jin, J., Van Snellenberg, J., Perlman, G., DeLorenzo, C., Nelson, B. D., Klein, D. N., Mohanty, A., & Kotov, R. (September, 2019). *Understanding neural mechanisms of adolescent depression using multimodal psychophysiological approach*. Oral paper presented at the 59<sup>th</sup> annual meeting of the Society for Psychophysiological Research, Washington, D.C.
- Hajcak, G., Kotov, R., Meyer, A., Luking, K., & Nelson, B. D. (May, 2019). *Individual differences neuroscience: From within-to between-subjects differences in psychopathology*. Oral paper presented at the 74<sup>th</sup> annual meeting of the Society of Biological Psychiatry, Chicago, IL.
- Nelson, B. D. (April, 2019). A multimethod investigation of neural response to monetary and social feedback. Presented at the Stony Brook University Department of Psychology Integrative Neuroscience Proseminar.
- Nelson, B. D., & Jarcho, J. M. (March, 2019). *Electrocortical response to monetary and social feedback: Associations with depression and social anxiety symptoms in late adolescents*. Oral paper presented at the 2019 biennial meeting of the Society for Research on Child Development, Baltimore, MD, and the 39<sup>th</sup> annual meeting of the Anxiety and Depression Association of America, Chicago, IL.

- Nelson, B. D., Jackson, F., Hajcak, G., & Shankman, S. A. (November, 2018). *Intolerance of uncertainty and emotional reactivity to unpredictable threat: Evidence from the startle reflex and event-related potentials*. Oral paper presented at the 52<sup>nd</sup> annual meeting of the Association for Behavioral and Cognitive Therapies, Washington, D.C.
- Nelson, B. D., & Hajcak, G. (October, 2018). Anxiety risk and the anticipation of predictable and unpredictable threat in adolescent girls: Evidence from the startle reflex and event-related potentials. Oral paper presented at the 58<sup>th</sup> annual meeting of the Society for Psychophysiological Research, Quebec City, Quebec, Canada.
- Kessel, E., Nelson, B. D., Finsaas, M., Hajcak, G., Kujawa, A., Meyer, A., Bromet, E., Carlson, G., & Klein, D. N. (October, 2017). *The moderating effect of parenting style on the impact of environmental stress on development of threat and reward processing in children*. Oral paper presented at the 57<sup>th</sup> annual meeting of the Society for Psychophysiological Research, Vienna, Austria.
- Nelson, B. D., Infantolino, Z. P., Perlman, G., Klein, D. N., Kotov, R., & Hajcak, G. (October, 2017). *Electrocortical responses to rewards prospectively predict the development of depression in adolescent girls*. Oral paper presented at the 57<sup>th</sup> annual meeting of the Society for Psychophysiological Research, Vienna, Austria.
- Nelson, B. D., Meyer, A., Perlman, G., Klein, D. N., Kotov, R., & Hajcak, G. (September, 2017). *Neurobiological predictors of anxiety disorders and depression in adolescent girls*. Oral paper presented at the 31st annual meeting of the Society for Research in Psychopathology, Denver, CO.
- Nelson, B. D., Amir, N., & Hajcak, G. (October, 2016). *The impact of attention bias modification on error-related brain activity*. Oral paper presented at the 50<sup>th</sup> annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- Nelson, B. D., Perlman, G., Klein, D. N., Kotov, R., & Hajcak, G. (October, 2016). Blunted neural response to rewards prospectively predicts first-onset depressive disorder and greater depressive symptoms in adolescent girls. Oral paper presented at the 63<sup>rd</sup> annual meeting of the American Academy of Child & Adolescent Psychiatry, New York, NY.
- Luking, K., Levinson, A., Nelson, B. D., Infantolino, Z., Sauder, C., & Hajcak, G. (October, 2016). Robust neural response to rewards buffers the effect of stress on depressive symptoms during late childhood and early adolescence. Oral paper presented at the 30<sup>th</sup> annual meeting of the Society for Research in Psychopathology, Baltimore, MD.
- Nelson, B. D., & Hajcak, H. (September, 2016). *Psychometric and task properties of startle and event-related potential measures of sensitivity to predictable and unpredictable threat.*Oral paper presented at the 56<sup>th</sup> annual meeting of the Society for Psychophysiological Research, Minneapolis, MN.

- Hajcak, G., Nelson, B. D., Perlman, G., Klein, D. N., & Kotov, R. (May, 2016). *Reward related positivity as a predictor for major depressive disorder in a prospective study of 550 adolescent girls*. Oral paper presented at the 71<sup>st</sup> annual meeting of the Society of Biological Psychiatry, Atlanta, GA.
- Nelson, B. D., & Hajcak, G. (October, 2015). *Anxiety and depression symptoms demonstrate unique relationships with the startle reflex in anticipation of unpredictable threat in adolescent females*. Oral paper presented at the 29<sup>th</sup> annual meeting of the Society for Research in Psychopathology, New Orleans, LA.
- Nelson, B. D., & Hajcak, G. (October, 2015). *Internalizing symptomatology and sensitivity to unpredictable threat in adolescent females*. Oral paper presented at the 55<sup>th</sup> annual meeting of the Society for Psychophysiological Research, Seattle, WA, and the 2<sup>nd</sup> annual Developmental Affective Neuroscience Symposium, Pittsburgh, PA.
- Perlman, G., Nelson, B. D., Proudfit, G. H., Klein, D. N., & Kotov, R. (September, 2014). *Neural, personality, and clinical correlates with non-suicidal self-injury in adolescent girls*. Oral paper presented at the 28<sup>rd</sup> annual meeting of the Society for Research in Psychopathology, Evanston, IL.
- Nelson, B. D., Perlman, G., Proudfit, G. H., Klein, D. N., & Kotov, R. (September-October, 2014). *The late positive potential and risk for distress and fear disorders in adolescence*. Oral paper presented at the 54<sup>th</sup> annual meeting of the Society for Psychophysiological Research, Atlanta, GA, and the 28<sup>rd</sup> annual meeting of the Society for Research in Psychopathology, Evanston, IL.
- Nelson, B. D., Bishop, J. R., Sarapas, C., Kittles, R. A., & Shankman, S. A. (October, 2013). *Ethnic/racial differences in sensitivity to uncertain threat*. Oral paper presented at the 53<sup>rd</sup> annual meeting of the Society for Psychophysiological Research, Florence, Italy.
- Nelson, B. D., Robison-Andrew, E. J., Altman, S. E., Campbell, M. L., Sarapas, C., Katz, A. C., Gorka, S. M., McGowan, S. K., & Shankman, S. A. (October, 2013). *Reduced reward anticipation and risk for depression*. Oral paper presented at the 53<sup>rd</sup> annual meeting of the Society for Psychophysiological Research, Florence, Italy.
- Shankman, S. A., Nelson, B. D., Sarapas, C., Campbell, M. L., Gorka, S. M., Katz, A. C., & DeLizza, A. A. (September, 2013). *The discriminant validity of reward and threat anticipation in internalizing psychopathologies*. Oral paper presented during Early Career Award symposium at 27<sup>th</sup> annual meeting of the Society for Research in Psychopathology, Oakland, CA.
- Shankman, S. A., Nelson, B. D., Sarapas, C., Robison-Andrews, E. J., Campbell, M. L., Altman, S. E., McGowan, S. K. Katz, A. C., & Gorka, S. M. (September, 2012). *A psychophysiological investigation of reward and threat sensitivity in individuals with depression and/or panic disorder*. Oral paper presented at 26<sup>th</sup> annual meeting of the Society for Research in Psychopathology, Ann Arbor, MI.

# **POSTER PRESENTATIONS**

- Ferry, R. A., Gair, K., & Nelson, B. D. (October, 2024). *The reward positivity and pathological personality dimensions in adolescent girls.* Poster presented at the 64<sup>th</sup> annual meeting of the Society for Psychophysiological Research, Prague, Czech Republic.
- Adams, E. M., Eaton, N. R., & Nelson, B. D. (October, 2024). *The error-related negativity and hierarchical dimensions of internalizing psychopathology*. Poster presented at the 64<sup>th</sup> annual meeting of the Society for Psychophysiological Research, Prague, Czech Republic.
- Trayvick, J. & Nelson, B. D. (October, 2024). *Task-relevant worry and the error-related negativity*. Poster presented at the 64<sup>th</sup> annual meeting of the Society for Psychophysiological Research, Prague, Czech Republic.
- Barkley, S. B., Hajcak, G., Klein, D. N., & Nelson, B. D. (October, 2024). *Electrocortical reactivity during self-referential processing predicts the development of depression across adolescence*. Poster presented at the 64<sup>th</sup> annual meeting of the Society for Psychophysiological Research, Prague, Czech Republic.
- Szenczy, A. K., Klein, D. N., & Nelson, B. D. (October, 2024). *Childhood depression symptoms predict the development of the reward positivity in adolescent girls*. Poster presented at the 64<sup>th</sup> annual meeting of the Society for Psychophysiological Research, Prague, Czech Republic.
- Ferry, R. A., Shah, V. V., Jin, J., Jarcho, J. M., Hajcak, G., & Nelson, B. D. (October, 2024). Neural response to monetary and social rewards in adolescent girls and their parents. Poster presented at the 53<sup>rd</sup> annual meeting of the Society for Neuroscience, Chicago, IL.
- Lawhead, C., Olino, T. N., Nelson, B. D., & Klein, D. N. (May, 2024). *N2 event-related potential predicts trajectories of tonic and phasic irritability in adolescence*. Poster presented at the 79<sup>th</sup> annual meeting of the Society of Biological Psychiatry, Austin, TX.
- Streminsky, L., Ferry, R., & Nelson, B. D. (May, 2024). Reward processing and social media use among adolescent females. Poster presented at the 2024 Stony Brook University Undergraduate Research & Creative Activities Research Symposium, Stony Brook, NY.
- Infante, L., Ferry, R., Beatty, C., & Nelson, B. D. (May, 2024). *Childhood neuroticism predicts neurobiological sensitivity to unpredictable threat across adolescence*. Poster presented at the 2024 Stony Brook University Undergraduate Research & Creative Activities Research Symposium, Stony Brook, NY.
- Fernandes, N., Barkley, S. B., & Nelson, B. D. (May, 2024). *Pathological personality dimensions mediate the relationship between autism symptoms and the RewP*. Poster presented at the 2024 Stony Brook University Undergraduate Research & Creative Activities Research Symposium, Stony Brook, NY.

- Jayakumar, S., Nelson, B. D., & Klein, D. N. (April, 2024). *Startle potentiation to unpredictable threat predicts the development of anxiety disorders in young adults*. Poster presented at the 44<sup>th</sup> annual meeting of the Anxiety and Depression Association of America, Boston, MA.

Poster presented at the 25<sup>th</sup> Annual Society for Research in Psychopathology, Boston, MA.
- Campbell, M. L., Nelson, B. D., McGowan, S. K., Robison-Andrew, E. J., Sarapas, C., Altman, S. E., Gorka, S., Katz, A. C., Shankman, S. A. (September, 2011). *Startle habituation in individuals with depression and/or panic disorder*. Poster session presented at 25<sup>th</sup> annual meeting of the Society for Research in Psychopathology, Boston, MA.
- Sarapas, C., Bishop, J. R, Nelson, B. D., Campbell, M. L., Robison-Andrew, E. J., Altman, S. E., Katz, A. C., Gorka, S. M., McGowan, S. K., & Shankman, S. A. (September, 2011).
   *Indirect genetic effects on internalizing symptoms through frontal EEG asymmetry*.
   Poster session presented at 25<sup>th</sup> annual meeting of the Society for Research in Psychopathology, Boston, MA.
- Gao, Y., Sarapas, C., Nelson, B. D., Campbell, M. L., Altman, S. E., Robison-Andrew, E. J., & Shankman, S. A. (May, 2011). *Aspects of personality as predictors of pain threshold*. Poster presented at the 83<sup>rd</sup> Annual Meeting of the Midwestern Psychological Association, Chicago, IL.
- Faust, J. P., Goldschmidt, A. B., Anderson, K. E., Nelson, B. D., & LeGrange, D. (April, 2011). Resumption of menses in relation to ideal body weight and other psychosocial factors. Paper presented at the 2011 International Conference on Eating Disorders, Miami, FL.

- Herbener, E., Bjorkquist, O., Olsen, E., Bodapati, A. S., & Nelson, B. D. (April, 2011). *Medial temporal and frontal activity during encoding of positive, negative, and neutral images and memory accuracy in schizophrenia and healthy subjects.* Poster presented at the biennial meeting of the International Congress on Schizophrenia Research, Colorado Springs, CO.
- Nelson, B. D., Sarapas, C., & Shankman, S. A. (February, 2011). *The effects of a comorbid anxiety disorder on measures of executive functioning in depression*. Poster presented at the 39<sup>th</sup> Annual Meeting of the International Neuropsychological Society, Boston, MA.
- Nelson, B. D., Herbener, E. S., & Bjorkquist, O. A. (October, 2010). *Is there an association between trait anhedonia and neural activity in response to emotional pictures in schizophrenia? An fMRI investigation.* Poster presented at the 4<sup>th</sup> Annual Meeting of the Social & Affective Neuroscience Society, Chicago, IL.
- Nelson, B. D., Shankman, S. A., Sarapas, C., Nelson, M., Altman, S. E., & Robison-Andrew, E. J. (October, 2010). *Are distinctive symptoms of anxiety and depression related to emotional responding while anticipating predictable vs. unpredictable threat?* Poster presented at the 24<sup>th</sup> Annual Society for Research in Psychopathology, Seattle, WA.
- Nelson, M. L., Shankman, S. A., Nelson, B. D., Robison-Andrews, E. J., Altman, S. E., & Sarapas, C. (October, 2010). *Personality correlates of startle habituation: An examination in three separate samples*. Poster presented at the 24<sup>th</sup> Annual Society for Research in Psychopathology, Seattle, WA.
- Lee, H., Heller, A., Van Reekum, C., Nelson, B. D., & Davidson, R. J. (June, 2010). *Successful down-regulation of negative affect is associated with amygdala-PFC decoupling.* Poster presented at the 16<sup>th</sup> Annual Meeting of the Organization for Human Brain Mapping, Barcelona, Spain.
- Ryszko-Grams, N., Nelson, B. D., Sarapas, C., Nelson, M., Andrews, E. J., Altman, S. E., & Shankman, S. A. (April, 2010). *Are depressive symptoms associated with sensitivity to aversiveness?* Poster presented at the 3<sup>rd</sup> Annual University of Illinois Chicago Student Research Forum, Chicago, IL.
- Shankman, S.A., Klein, D.N., Torpey, D.C., Olino, T.M., Dyson, M.W., Nelson, B.D., Durbin, C.E., Tenke, C.E., & Bruder, G.E. (March, 2010). *Do positive and negative temperaments interact in predicting biomarkers for anxiety and depression? A resting EEG study of 329 3-year olds.* Poster presented at the 30<sup>th</sup> Annual Meeting of the Anxiety Disorders Association of America, Baltimore, MD.
- Robison, E. J., Nelson, B. D., Altman, S. E., & Shankman, S. A. (October, 2009). *Effects of predictability of shock timing and intensity on aversive responses*. Poster presented at the 49<sup>th</sup> Annual Meeting of the Society for Psychophysiological Research, Berlin, Germany.

- Nelson, B. D. & Shankman, S. A. (October, 2009). *The effects of completely predictable and unpredictable aversive stimuli on startle responses*. Poster presented at the 49<sup>th</sup> Annual Meeting of the Society for Psychophysiological Research, Berlin, Germany.
- Nelson, B. D., Shankman, S. A., Harrow, M., & Faull, R. (September, 2009). *Does physical anhedonia play a role in depression? A 20-year longitudinal study*. Poster presented at the 23<sup>rd</sup> Annual Society for Research in Psychopathology, Minneapolis, MN.
- Nelson, B. D. & Shankman, S. A. (July, 2009). *Do individual differences in trait emotional/motivational tendencies predict emotional responses to predictable and unpredictable aversive events?* Poster presented at the Association for Research in Personality 1<sup>st</sup> Stand-Alone Conference, Evanston, IL.
- Oplustil, A. J., Nelson, B. D., & Shankman, S. A. (April, 2009). *Differences between aversive shocks and unpleasant noises in inducing fear and anxiety*. Poster presented at the 2<sup>nd</sup> Annual University of Illinois Chicago Student Research Forum, Chicago, IL.
- Nelson, B. D., Shankman, S. A., Olino, T. K., Klein, D. N., Congdon, E., Canli, T., McFarland, B. R., & Dougherty, L. M. (September, 2008). Emotional dysfunction in MDD using self-report and facial expression measurements with personality, genotype, and characteristics of depression as moderators. Poster presented at the 22<sup>nd</sup> Annual Society for Research in Psychopathology, Pittsburgh, PA.

#### **THESES**

# Dissertation Do Individual Differences in Reward and Threat Sensitivity Predict

Family History of Psychopathology?

Department of Psychology University of Illinois at Chicago

Committee: Stewart Shankman (Chair), Ellen Herbener, Robin

Mermelstein, Mitch Roitman, and Daniel Klein

#### 

on Emotion Responses
Department of Psychology
University of Illinois at Chicago

Committee: Stewart Shankman (Chair), Evelyn Behar, and Ellen Herbener

### Master's Thesis Emotional Reactivity in Major Depressive Disorder: An Examination

of the Moderating Effects of Personality and Characteristics of

**Depression** 

Department of Psychology University of Illinois at Chicago

Committee: Stewart Shankman (Chair), Jon Kassel, and Ellen Herbener

# RESEARCH EXPERIENCE

2013-2015 Post-Doctoral Research Fellow

Cognitive & Affective Psychophysiology Laboratory

Department of Psychology

Stony Brook University

- Post-doctoral fellow on longitudinal study of neurobiological predictors of depression and anxiety in adolescent females – Impact of Puberty on Affect & Neural Development across Adolescence (iPANDA)
- Conducted diagnostic interviews (K-SADS, SCID), processed ERP data, and wrote manuscripts

Supervisors: Greg Hajcak, Ph.D., Dan Klein, Ph.D., Roman Kotov, Ph.D.

# 2012-2013 Clinical Psychology Intern

Phan Neuroimaging Laboratory

Department of Psychiatry

University of Illinois at Chicago

- Clinical psychology intern volunteer completing research rotation in Dr. Phan's neuroimaging laboratory
- Processed fMRI data using SPM for a project examining neural substrates of voluntary emotion regulation

Supervisors: Luan Phan, M.D., Daniel Fitzgerald, Ph.D.

#### 2006-2012 Graduate Research Assistant

Affective Science and Physiology Laboratory

Department of Psychology

University of Illinois at Chicago

- Primary lab experimenter in a project examining anticipation to reward and threat in individuals with depression and/or panic disorder
- Designed and programmed experimental tasks using E-Prime and PsyLab
- Processed EEG (NeuroScan), EMG (NeuroScan), fMRI (AFNI, SPM), and HRV (CardioEdit) data

Supervisor: Stewart Shankman, Ph.D.

#### 2008-2010 Graduate Research Assistant

Herbener Research Lab

Departments of Psychiatry and Psychology

University of Illinois at Chicago

 Processed fMRI data using AFNI for project examining neural correlates of short and long-term affective memory in patients with schizophrenia Supervisor: Ellen Herbener, Ph.D.

# 2004-2006 Undergraduate and Post-Baccalaureate Research Assistant

Laboratory for Affective Neuroscience

Department of Psychology

University of Wisconsin-Madison

• Assisted in the study design, scheduling, and running of participants in an fMRI investigation of the neural substrates of emotion regulation

• Primary lab experimenter in study investigating individual differences in startle reflex during voluntarily emotion regulation

Supervisors: Hyejeen Lee, Ph.D., Richard Davidson, Ph.D.

# 2004-2006 Undergraduate and Post-Baccalaureate Research Assistant

Psychopathy Research Laboratory

Department of Psychology

University of Wisconsin-Madison

- Assisted in screening and running participants incarcerated in the Wisconsin Department of Corrections maximum-security prisons
- Primary lab experimenter in a project examining vigilance processing using EEG Supervisor: Joseph Newman, Ph.D.

## 2002-2005 Undergraduate Research Assistant

Center for Eukaryotic Structural Genomics

Department of Biochemistry

University of Wisconsin-Madison

- Worked on project investigating protein purification and characterization
- Assisted in data entry, protein sample maintenance, experiment preparation, and liquid nitrogen drop freezing Supervisor: Frank Vojtik, Ph.D.

#### **CLINICAL EXPERIENCE**

# 2012-2013 Clinical Psychology Internship

Department of Psychiatry

University of Illinois at Chicago

 Performed psychological evaluation and intervention services, including rotations in neuropsychology, health psychology, and pediatric mood disorders.
 <u>Supervisors</u>: Neil Pliskin, Ph.D., ABPP-CN, Susan Labott, Ph.D., ABPP-CHP, & Amy West, Ph.D.

## 2010-2011 Clinical Psychology Externship

Stress and Anxiety Disorders Clinic

Department of Psychiatry

University of Illinois at Chicago

• Performed psychological services, including intake interviews, individual psychotherapy, and group psychotherapy, in an outpatient setting <a href="Supervisor">Supervisor</a>: Cheryl Carmin, Ph.D.

# 2009-2010 Clinical Psychology Externship

Neuropsychology Clinic

Department of Psychiatry

University of Illinois at Chicago

• Performed neuropsychological assessments of outpatients using various tests, such as the WAIS-IV, CVLT-II, BVMT-R, DRS, RBANS, WCST, etc. Supervisors: Neil H. Pliskin, Ph.D., ABPP-CN & David L. Nyenhuis, Ph.D.,

#### ABPP-CN

# 2006-2012 Clinical Psychology Graduate Clinician

Office of Applied Psychological Services

Department of Psychology

University of Illinois at Chicago

Performed psychological services, including intake interviews, psychological assessments, individual psychotherapy, and group psychotherapy
 <u>Supervisors</u>: Evelyn Behar, Ph.D., Gloria Balague, Ph.D., Nancy T. Dassoff, Ph.D., Audrey J. Ruderman, Ph.D., & Alicia Matthews, Ph.D.

## ATTENDED WORKSHOPS AND TRAINING

# 2023-2024 Emerging Leaders Program

 Multi-day program revolving around higher education leadership, including strategic thinking and decision-making, teamwork, career pathways, and managing conflicts. Presented by the Office of the Provost at Stony Brook University.

# 2019 Salivary Bioscience Introductory Training

• One-day training on saliva collection techniques for cortisol, alpha-amylase, sigA, c-reactive protein, genetic polymorphism, and other hormones. Presented by Salimetrics, LLC at Teachers College, Columbia University

# 2016 Time-Frequency Decomposition: Methods and Challenges

• One-day workshop presented by Michael X. Cohen at the 56<sup>th</sup> Annual Meeting of the Society for Psychophysiological Research

#### **2013** Event-Related Potential Boot Camp

• Ten-day workshop held at the University of California-Davis Center for Mind & Body (sponsored by the National Institutes of Health).

## 2010 Performing Clinical Services with Hearing Impaired Clients

• Presented by the University of Illinois at Chicago Disability Center.

#### **MMPI-2-RF: Basic Overview Webinar**

• Presented by Yossef S. Ben-Porath (sponsored by Pearson Assessments).

# **2009** Tourette Syndrome Workshop

• Presented by Douglas Woods (sponsored by the Tourette Syndrome Association).

#### Managing Social Anxiety: A Cognitive-Behavioral Therapy Approach

• Experience administering manualized treatment by Hope, Heimberg, and Turk (2006) for social anxiety.

#### **2008** Fundamentals of Motivational Interviewing

• Presented by Walker Tisdale, III & Anthony Galloway (sponsored by the Howard

Brown Health Center).

# 2006 Mindfulness-Based Cognitive Therapy and Prevention of Relapse in Major Depression

• Presented by Zindel Segal and Mark Lau at the 40<sup>th</sup> Annual Convention of the Association for Behavioral and Cognitive Therapies.

## TEACHING EXPERIENCE

#### **2023-2024 Professor**

Readings in Psychology (PSY 447; 2 credits)

Department of Psychology

Stony Brook University

 Facilitated two classes on applying to graduate school and selecting a graduate program.

#### **2022-2023** Professor

Senior Honors Seminar (1 credit)

Department of Psychology

Stony Brook University

• Faculty mentor and supervisor for an undergraduate honors thesis.

## 2022 Professor

Developmental Aspects of Behavior (3 credits)

Department of Psychology

Stony Brook University

• Faculty instructor who led weekly discussion groups for course that provided a broad overview of the field of developmental aspects of behavior, with a focus on lifespan development.

#### 2020 Professor

Readings in Psychology (PSY 447; 2 credits)

Department of Psychology

Stony Brook University

• Mentored undergraduate student on reading empirical psychology articles.

#### 2019-Present Professor

Supervised Practice (PSY 606; 3 credits)

Department of Psychology

Stony Brook University

• Provided clinical supervision to 2<sup>nd</sup> and 3<sup>rd</sup> year clinical psychology graduate students on assessment cases.

#### 2019-Present Professor

Assessment: Personality Testing, Intellectual/Cognitive Testing; and Child Parent

Assessment (PSY 602; 2 credits)

Department of Psychology

Stony Brook University

• Introduction to the major principles of, and approaches to, clinical assessment provided to 1<sup>st</sup> year clinical psychology graduate students.

#### **2018-2019 Professor**

Research Lab: Clinical Psychology (PSY 389; 4 credits)

Department of Psychology

Stony Brook University

• Overview of experimental designs, methods, and techniques that are used in clinical psychology research.

# **Teaching Assistant**

Abnormal Psychology (PSCH 270; 3 credits)

Department of Psychology

University of Illinois at Chicago

• A survey course covering the assessment, description, causes, and treatments of many psychological disorders, including depression, anxiety disorders, psychosis, sexual dysfunction, and personality disorders. Primary duties included attending lectures and grading papers

# **2010-2012** Teaching Assistant

Practicum in Psychological Assessment (PSCH 582; 4 credits)

Department of Psychology

University of Illinois at Chicago

 Supervised practice in psychodynamic testing in various facilities associated with graduate training program in clinical psychology. Primary duties involved supervising 1<sup>st</sup>-3<sup>rd</sup> year clinical psychology graduate students in administering various psychological/neuropsychological assessments, such as the WAIS-IV, D-KEFS, CVLT-II, etc.

### **2008-2009** Teaching Assistant

Theories of Personality (PSCH 210; 3 credits)

Department of Psychology

University of Illinois at Chicago

• Survey of major theoretical approaches to the study of personality and the evidential basis underlying each approach. Primary duties involved attending lectures and grading papers.

#### 2007, 2012 Teaching Assistant

Psychological Testing (PSCH 340; 3 credits)

Department of Psychology

University of Illinois at Chicago

• Introduction to principles of psychological assessment, with an overview of representative techniques. Primary duties involved attending lectures and grading papers.

## **Teaching Assistant**

Statistical Methods in Behavioral Science (PSCH 343; 4 credits)

Department of Psychology

University of Illinois at Chicago

• Introduction to statistical inference, probability distributions, sampling, hypothesis testing, correlation, and analysis of variance. Primary duties involved leading two weekly discussion sections and grading homework and exams.

# **2006** Teaching Assistant

Introduction to Psychology (PSCH 100; 4 credits)

Department of Psychology

University of Illinois at Chicago

• Survey of basic concepts of contemporary psychology. Primary duties involved leading four weekly discussion sections and grading papers.

## **GUEST LECTURES**

## 2023-2024 Guest Lecturer

Introduction to Neuroscience (PSY-2)

Department of Psychiatry and Behavioral Health

Renaissance School of Medicine, Stony Brook University

• Provided lecture on the affective neuroscience of anxiety and depression.

#### 2019-2023 Guest Lecturer

Human Brain Function (PSY 355; 3 credits)

Department of Psychology

Stony Brook University

• The functional organization of the human brain, including dysfunctions resulting from various types of brain pathology, and description of neuroanatomical, neuropsychological, neurophysiological, and experimental approaches. Provided lecture on the cognitive neuroscience of anxiety disorders.

#### **2018** Guest Lecturer

Survey of Clinical Psychology (PSY 610; 3 credits)

Department of Psychology

Stony Brook University

• Conceptual overview of models of psychopathology and intervention for master's degree students. Provided lecture on conceptual models and classification of psychopathology.

#### 2017-2024 Guest Lecturer

Stony Brook University Consortium Internship Program (SBU-CIP) Clinical

Presentations and Workshops

Department of Psychology

Stony Brook University

• Didactic training for the SBU-CIP. Provided lecture on advancements in the cognitive neuroscience of anxiety disorders and depression, and the practical application of the Hierarchical Taxonomy of Psychopathology.

#### **2016** Guest Lecturer

Clinical Psychophysiology (PSY 491; 3 credits)

Department of Psychology

Stony Brook University

• Provided lecture on event-related potentials to acoustic startle probes during the anticipation of predictable and unpredictable threat.

#### **2013** Guest Lecturer

Survey in Developmental Psychology (PSY 220; 3 credits)

Department of Psychology

Stony Brook University

• A study of growth and change in humans, with an emphasis on psychological, physical, social, and cognitive changes and the role of environmental and genetic influences on development. Provided lecture on emotion regulation and emotion of understanding.

## <u>SERVICE – NATIONAL/INTERNATIONAL</u>

Hierarchical Taxonomy of Psychopathology (HiTOP) Research and Publications Board, Summer 2024 – Present

Society for Research on Psychopathology (SRP) 2024 Smadar Levin Award Committee – Summer – Fall 2024

National Science Foundation (NSF) Cognitive Neuroscience Program Grant Reviewer, Spring 2024

Center for Accelerating Suicide Prevention in Real World Settings (ASPIRES) Annual Pilot Program: Practice-Based Research on Youth Suicide Prevention Reviewer - Summer 2024

Hierarchical Taxonomy of Psychopathology (HiTOP) Consortium Inter-Committee, Fall 2023-Present

Hierarchical Taxonomy of Psychopathology (HiTOP) Consortium Membership Committee, Fall 2023-Present

Hierarchical Taxonomy of Psychopathology (HiTOP) Consortium 2024 Conference Committee Co-Chair, Summer 2023-Spring 2024

Undergraduate Student Training in Academic Research (U-RISE) Faculty Mentor, Department of Psychology, Summer 2023

- Hierarchical Taxonomy of Psychopathology (HiTOP) Consortium Developmental Workgroup Co-Chair, Summer 2021-Present
- National Science Foundation (NSF) CAREER Proposal Grant Reviewer, Fall 2020
- National Institute of Mental Health (NIMH) Biobehavioral Mechanisms of Emotion, Stress, and Health (MESH) Study Section Grant Reviewer, Summer 2020
- Deutsche Forschungsgemeinschaft (DFG) Grant Reviewer, Fall 2019
- Society for Psychophysiological Research (SPR) Conference Student Poster Judge, Fall 2014, Fall 2019

#### SERVICE – UNIVERSITY

On-Campus Jobs and Internship Fair Volunteer, Fall 2024

Professor Tell All Facilitator, Fall 2024

Academic Judiciary Committee, Fall 2023-Present

Psi Chi Faculty Advisor, Fall 2018-Spring 2024

Center for Affective Neuroscience of Depression and Anxiety (CANDA), Faculty Committee Member for External Speaker Recruitment, Fall 2018-Spring 2021

#### SERVICE – DEPARTMENT

- Co-Director of the Krasner Psychological Center Psychological Assessment Program, Department of Psychology, Spring 2020-Present
- Krasner Psychological Center Clinical Assistant Professor Search Committee, Department of Psychology and Psychiatry, Summer 2023-Spring 2024; Summer 2024-Spring 2025
- Diversity Liaison, Department of Psychology, Summer 2023-Present
- Integrative Neuroscience Health and Developmental across Lifespan Assistant Professor Search Committee, Department of Psychology, Fall 2022-Spring 2023
- Krasner Psychological Center Clinical Training and Supervision Committee, Department of Psychology, Summer 2021-Present
- Diversity Steering Committee: Undergraduate Mentoring, Department of Psychology, Fall 2020-Current
- Committee on Research Involving Human Subjects (CORIHS) Department Representative, Department of Psychology, Spring 2020-Present

John W. Perry and Burt Stangarone Endowed Scholarship Reviewer, Department of Psychology Spring 2020-Present

Undergraduate Committee, Department of Psychology, Fall 2019-Present

Workshop on Electroencephalography (EEG) and Event-Related Potentials (ERP), Department of Psychology, Summer 2019

Workshop on Administration of the Structured Clinical Interview for the DSM-5 (SCID-5), Department of Psychology, Summer 2019
